

Weekly Report #2 - 2/2/15

Group Number: DEC15-08

Project Name: Manufacturing software support Reprogram

Name of Advisor: Unknown at this time

Client: VanCorp Corporation (Evan Zepp)

Members and roles in group:

Austin Benson – Team Leader

Nick Cervantes – Team Communication Leaders

Sean Finn – Key concept Holder

Evan Kroeger – Team Webmaster

Matt Petron – Key concept Holder

Who was present in the meeting/date of the meeting?

All members were present for our meeting from 5:00 - 6:00 pm on Wednesday, January 28th, 2015. We divided up the work for the upcoming week as follows:

Austin Benson - Contact Dr. Mina about reaching out to Van Gorp, setup Google Drive, reach out to potential faculty advisor to setup a meeting.

Nick Cervantes - Setup Repository, fillout weekly report

Sean Finn - Research basic language, work with Basic tutorials

Evan Kroeger - Look at previous senior design websites, and setup basic website.

Matt Petron - Research GWBasic language, work with GWBasic tutorials.

Accomplishments for the past week and plans for the upcoming week.

Pending Issues

We still do not have our faculty advisor, this has slowed down our progress and prevented us from meeting with our advisor or setting up a meeting with our client.

Individual Contributions

Austin Benson – Setup Google Drive, Contacted Dr. Mina regarding Faculty advisor.

Nick Cervantes – Worked on setting up Assembla for source control, researched GW-BASIC

Sean Finn – Went through a GW-BASIC Tutorial as well as BASIC Tutorial

Evan Kroeger – researched GW-BASIC, began website development

Matt Petron – Figured out how to run GW-Basic on Windows 7 and 8 and read through GW-Basic Tutorials

Individual Hours

Austin Benson – 2 hrs

Nick Cervantes – 2 hrs

Sean Finn – 2 hrs

Evan Kroeger – 2 hrs

Matt Petron – 2 hrs

Total: 10 hrs
