Weekly Summary

This week we continued our development, before our meeting with Van Gorp next week. Also, this week we had a meeting with Dr. Amarucai to discuss the project so far. From this meeting, we decided to try and expand the feature set to create a better product for Van Gorp.

Meeting Notes

- Meeting with Dr. Amarucai on September 10th, 4-5pm in NucE
- Van Gorp Visit at 9:30 am on Monday, September 14th
- Consolidate the excel files (new and old versions)

Pending Issues

We still need to meet with Van Gorp. Also, after our meeting with Dr. Amarucai we decided we need to add a few more features into the product. This is something we will discuss with Van Gorp when we meet with them next week. We believe they already have some additional features in mind.

Plans for Next Week

Meet with Van Gorp, and continue development.

Individual Contributions (This Week)
