Weekly Summary

This week we finalized a time for our final presentation with Dr. Amariuca. We have continued development on the project, and have shifted more of our focus towards working on our final presentation PowerPoint, design document and project plan.

Meeting Notes

Member Project Responsibilities:

-Edwin: PDF Output

-Sean: BOM

-Evan: GUI Updates (new tabs)

-Nick: Integrity Checking, Unit Tests

-Petron: Excel Sheet Double Checking, Project Plan Update

-Benson: Drum Populate Code, Fine Tune Wings

Pending Issues

We are now primarily focusing on the class requirements such as the final presentation PowerPoint, project plan and design document. We need to finish these soon so we have time to double check and practice our presentation. Also, we have scheduled a meeting with Van Gorp on the 2nd of November.

Plans for Next Week

Focus mainly on the class requirements, while continuing development where we can.

Individual Contributions (This Week)

Austin Benson – Continued work on the Drum Populate logic.

Nick Cervantes – Continued work on Excel file integrity checking. Worked on more Unit testing. Compiled weekly report.

Sean Finn – Continued work on Build Of Materials feature.

Evan Kroeger – Worked on slight GUI Updates. Continued work on export capabilities and logic. Worked on the website.

Edwin Martinez – Continued work on PDF output, with new output format.

Matt Petron – Final slight modifications to the excel sheets, and double checked formatting and entries.
